CHUCKLE CORNER

Who is the Pharisee?
Father O'Malley was going through the mail one day after his powerful sermon on the Pharisaic life of some of his parishioners on the previous Sunday.

Drawing a single sheet of paper from an envelope, he found written on it just one word: "FOOL." The next Sunday at Mass, he announced, "I have known many people who have written letters and forgot to sign their names. But this week I received a letter from someone who signed his name and forgot to write a letter."

Blessed Carlo Acutis

Blessed Pier Giorgio Frassati

Blessed Carlo Acutis and Blessed Pier Giorgio will be canonized together on 7 September 2025

Carlo Acutis was born on May 3, 1991, in London a British-born Italian student celebrated for his devotion to the Eucharist and his use of digital media to promote Catholic devotion. Born in London and raised in Milan, he created a website documenting Eucharistic miracles and Marian apparitions. From a young age, Carlo displayed a profound love for God and the Church that inspired his parents. Diagnosed with leukemia, he died at age fifteen.

Pier Giorgio Frassati, TOSD was an Italian Catholic activist and a member of the Third Order of Saint Dominic. He was born in Turin, Italy on April 6, 1901. At an early age, Pier Giorgio joined the Marian Sodality and the Apostleship of Prayer, and obtained permission to receive daily Communion (which was rare at that time). At the age of 17, he joined the St. Vincent de Paul Society and dedicated much of his spare time to serving the sick and the needy, caring for orphans, and assisting the demobilized servicemen returning from World War I.

Meeting Guidelines

Because so much time is spent in meetings, it is crucial to ensure they are well-organized, planned and beneficial to members. In the context of simplifying meetings, it is important to note that when meetings are thoroughly planned and organized, members feel their time is respected. Well-organized meetings have a tremendous influence on the success of a team.

To have effective and efficient meetings, it is valuable to go back to the basics. Some simple, easy to follow and proven methods are as follows:

i. Purpose/Objectives: Meetings need a clear purpose or set of objectives. This will assist in preventing "clutter" and irrelevant topics or items from creeping into the agenda and taking up too much time in meetings. Start by asking, "What is the purpose of this meeting?"

ii. Simplicity and Flexibility: Most meetings do not have to be strictly business or follow the traditional "stand and deliver" model where the majority of the meeting focuses on business and delivering reports orally. The following options may be considered when simplifying

meetings and providing flexibility into the planning process:

a. Plan ahead, plan ahead and then do your best to plan ahead and have everything ready.

b. If applicable, block book the venue so it does not have to be done each month.

c. In planning, be as detailed as possible to avoid unnecessary, confusing and distracting content.

d. Meetings of no more than 90 minutes are more effective than lengthy meetings.

e. Day of the week and time of day:

• Consider changing the meeting time to make it easier and safer for members to travel during the winter months.

Your love for children and willingness to share your time and effort will have an eternal impact.
