CHUCKLE CORNER

A man who had been a husband for ten years was consulting a marriage counselor. "When I was first married, I was very happy. When I came home from a hard day at the shop, my little dog would race around barking and my wife would bring me my slippers with a heart-warming smile. Now after all these years everything is changed. Now when I come home, my dog brings me my slippers and my wife barks at me." "I don't know what you are complaining about," said the counselor. "You are still getting the same service."

A wife commented, "When we were first married, you took the small piece of steak and gave me the larger. You don't love me any more...."
"Nonsense, darling," replied the husband, "you cook better now."

Week of Prayer for Christian Unity 2026

The Week of Prayer for Christian Unity 2026 offers an invitation to draw on this shared heritage and to enter more deeply into the faith that unites all Christians. In the words of Pope Leo, "By receiving the Lord's peace, and accepting His call – which includes being open to the gifts of the Holy Spirit – all the followers of Jesus can immerse themselves in the radical newness of Christian faith and life."

Our striving for unity among our Christian brothers and sisters is both a personal journey of deepening conversion, and a witness to a world of much brokenness, division, and strife.

The Week of Prayer for Christian Unity not only reminds us that Jesus Christ is the One Saviour of all peoples and nations, but also that there is great blessing and new life when those of many families of faith come together in wonder, praise, and commitment to follow the One true Lord and Saviour.

Purpose of Fundraising

What if our parish is not in debt and usually raises funds “as things break”?

Most parishioners now expect their parishes to plan and operate within their means and to save for anticipated repairs just like they do in their own homes. Requesting funds “as things break” can negatively impact parishioners as the litany of repairs gets longer, create donor fatigue, and raise questions about ineffective planning. Having a designated Repairs and Maintenance Fund shows foresight, reassures donors, and ensures future stability—especially as the parish donor base ages.

If our parish has no debt or major needs right now, why participate?

All parish buildings age. Even newer ones have encountered unexpected and costly repairs. This is about preparing for the future, ensuring every parish benefits by ensuring long-term reserves.

Many long-time parishioners, who have been blessed by the parish over the years, may also feel called to help secure its future. For some, this may be an ideal moment to offer meaningful financial support that will leave a lasting legacy for generations to come.
