CHUCKLE CORNER

It's been said that every pastor ought to have six weeks of vacation each year, because if he is a really good shepherd, he deserves it; and if he is not a very good shepherd, his congregation deserves it.

A wife commented, "When we were first married, you took the small piece of steak and gave me the larger. You don't love me anymore...."

"Nonsense, darling," replied the husband, "you cook better now."

2026 Easter message/ Canadian Conference of Catholic Bishops

Warm greetings to each and every one of you,
International news does not often give us reasons to rejoice.

Wars continue in Middle East, Ukraine, Sudan, and elsewhere, causing loss of human lives and the destruction of many communities. In some parts of South America, Africa and Asia, human rights are not respected, threatening the common good of the people.

To counteract the gloom that could weigh heavily on our hearts, the Easter season is here to tell us: "Have confidence! Christ is alive!" The Risen One comes to meet us to rekindle our hope in love, which is victorious, for it will always have the last word.

On behalf of the Canadian Conference of Catholic Bishops, I wish you a blessed Easter Season. Thank you for being signs of love, peace, and hope through the quality of your presence and your commitment to making the world a more human place.

Happy Easter!

**Thanks to all volunteers in our Parish
All the volunteering makes our parish
strong!**
